Not only has she been an excellent teacher but also a true friend. She teaches a wide variety of social studies to combine her intelligence with a poise that keeps students interested in any topic from the War of 1812 to the problems of the world. She can always be reached by a warm smile and open heart. This teacher supports Tigers all the way and encourages her students to utilize their abilities to the fullest. It is with much appreciation and pride that we dedicate the 1975 SPUR to Mrs. Evelyn Anderson, social studies teacher at El Paso High.

JEANNET NUMAN

Jeanette Numan, Jean-Claude Spira, and Alex Macaraig were the three foreign exchange students who attended El Paso High School during the 1974-75 school year.

Jean-Claude, who came from Switzerland, was impressed by the western surroundings he encountered in El Paso. His hobbies include soccer, tennis, guitar, and mini golf. He also studies gourmet cooking.

Alex came from the Philippines where he says that life is a lot like it is in America. There is one major difference, though. "In the United States, the buildings are much larger than any in the Philippines," he says. In his spare time, he practices commercial photography.

Jeanette hails from Holland where she says people still practice the famous custom of walking in wooden shoes. One of the things she especially liked about EPHS was being able to eat as much popcorn as she wanted.

ROTC

Master Sgt. Curtis T. Tolbert
Commandant of Cadets

Reserve Officer's Training Corps introduces to a student the basics of Military Leadership and also teaches discipline, respect, and loyal cooperation toward everyone. In ROTC a cadet is able to seek advancement and responsibility.

This year the unit is composed of a company for the girls and another for the boys. These companies are divided into two platoons, each being in a separate class period.

The EPHS ROTC brought honors and recognition to our school within the 1974-75 school year.

In the Spring of 1974, six EPHS ROTC cadets participated in the NATIONAL ROTC INTERSCHOLASTIC INDOOR SMALL BORE POSTAL RIFLE MATCH. These cadets showed an outstanding ability to perform and were awarded the THIRD REGION AWARD out of thirteen states.

Darlene Beard was selected Brigade Adjutant (Cdt. Col.) of the ROTC Female Battalions for the El Paso Public High Schools for 1975.

Other awards to individual cadets were eleven DAI ribbons. The boys Drill Team placed third at the Austin Drill Meet, and also placed third at the Burges Invitational.

The girls attended many camps this summer, including one at Andress High School. On the first day they were awarded a first place ribbon. The second day they proved their skill by taking a first place, while on the third day they earned another first place, the spark plug, and a trophy for being the second best squad.

All the cheerleaders continued to work hard by attending a camp in Portales, New Mexico where they competed with 55 other cheerleading squads from Colorado, New Mexico, Arizona, and Texas. They received four superior ribbons and were awarded "The Spirit Stick" the first and last day. The squad was also chosen for a run-off for the District Championship.

CROSS COUNTRY TEAM TAKES DISTRICT; ANCHONDO MAKES ALL STATE

The District meet saw the Tigers regain their district crown from 1972 as five Tigers made All-district team. Leading the way was Fred Salcido who came in first and set a new record for the meet. Following Salcido were Manny Anchondo, 2nd; sophomore sensation Victor Norman 3rd; Jose Marquez 4th; and rounding out the Tiger top was Victor Gomez with a 7th place finish. The five runners all qualified for all-district honors. Placing in the top twenty were Robert Long, 12th, and Ricky Sifuentes 19th.

Also, the cross country team finished its season with a fifth place finish in the state meet held at Ausin. Pacing the Tigers was Manny Anchondo with a ninth place finish. Anchondo's finish qualified him for all state which adds to his two other honors, All district and All regional. The El Paso High Cross Country has brought many honors to El Paso High. Coached by Danny McKillip, they not only went to state this year, but last year they also went to state and two years ago one of the El Paso High runners, Tony Zuniga, placed first in state.

You have to be the craziest guy in the eight grade. You're a bunch of laughs Rolf and stay that way. Good luck in the coming years and with the "girls".

GARY ROBERT JONES

NOVEMBER 7, 1957 - OCTOBER 10, 1974

I heard a voice from heaven, saying unto me,
Write, from henceforth blessed are the dead
Who die in the Lord:
Even so saith the Spirit,
For they rest from their labors.

Gary was an active member of the Speech and Drama Club. In his memory, the club hosted the First Annual Gary Jones Memorial Speech Tournament, as a tribute to someone who is much and loved and missed by the other members.

SANDRA LYON ROSA MOLINA

One of the most difficult tasks we have to do as SPUR Editors is to write this farewell page. The reality of finally completing the SPUR and graduating has left us with a deep sadness. Two years of working on a yearbook staff as Editors has made the completion twice as hard—and now we must face that a part of our lives is over.

It's hard to appreciate the lunch hours, weekends, and holidays that go into producing a yearbook, unless you have had the experience of working on a staff. The things we've learned about working with others, working under pressure, and working toward a goal has definitely made us more aware of the types of problems we'll run across in life.

There are no words to bring back all the time and diligence of the staff that went into making this SPUR. The untiring efforts of the photographers are obvious by the pictures which make a yearbook, and if we have failed to thank them, we would like to do so now. THANK YOU! Also much gratitude goes to, Olga, our assistant editor, for her eagerness to help in time and ideas. Hopefully, each member of the staff will realize how very, very much his hard work means to us, and that it is all worth it once the SPUR is in print. Thanks to each of you. And especially thanks goes to Mrs. Sunshine Callery who has supported, encouraged, befriended us when we needed her, as a sponsor and a friend.

We would like to thank Lucy and Elsa Ponce for designing the cover this year.

An enormous thanks goes to Mrs. Mary Ellen Robberts for her time and patience in directing the annual Beauty pageant, and to Mrs. Gonzalo Rangel for allowing us to use the PTSA decorations. We are also indebted to Mrs. Jesus Salcido, the stage band, and the modern dance for the entertainment.

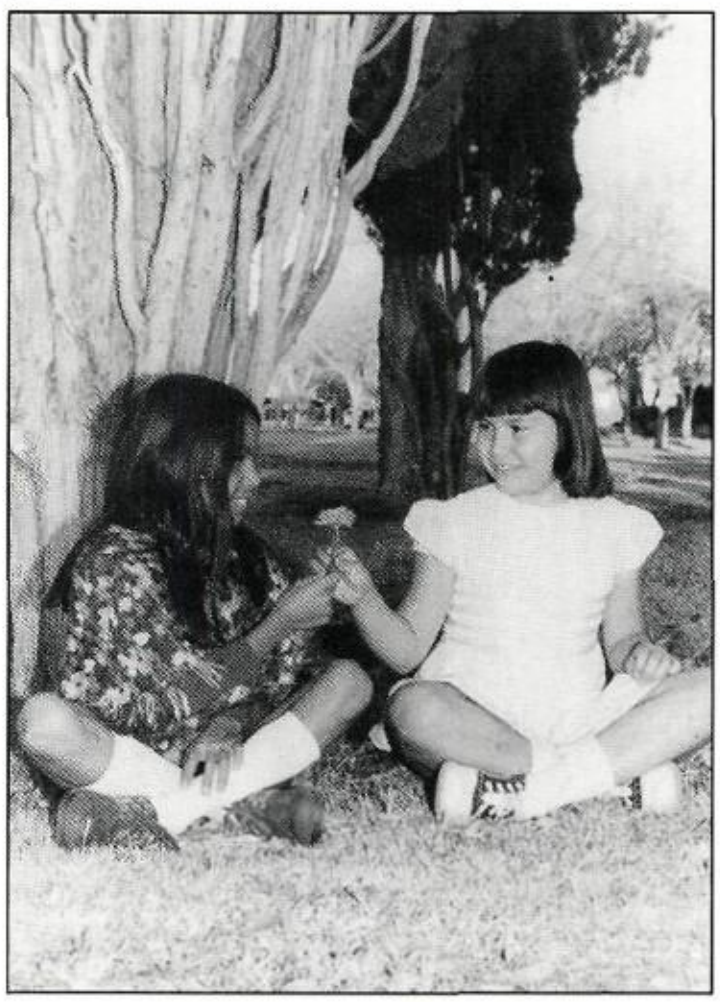
The professional people who helped us deserve to be mentioned in a big way here. Our printer, Mr. Smitty Smith of Guynes Printing Co., Mr. Grajeda and Mrs. Jesus Marquez of the EPPS, Mr. Jose Andow, the Popular Photo Studio, and Achilles all contributed to our reaching a goal of making this book. Then Mr. Jim Lyon of Photographic Suppliers assisted us with our photography.

There are many obstacles that become apparent once there is a goal to be met. We certainly have run across quite a few in trying to capture the highlights of 1975. But it would have been impossible to succeed without all the people mentioned above. We hope now you can enjoy this SPUR and feel as much happiness in it as we will in knowing it is ours—a real part of us and a very real dimension in shaping the kind of people we are. May this book bring you many memories of 1975 —A Year of Searching.

God bless you.

Our Year of Searching Has Concluded.

In A Quiet Moment We Reflect Our Experiences Past And We Anticipate The Joys Of Tomorrow.



Dear Rolf,

I know you're an eighth grader, but you sure don't act as one! I look like one? That's me homesick by say that?
